

KAPOOR

C&C
BOOKINGS

Kapoor - a downtempo music producer and DJ from Poland. He took his first production steps a few years ago in the trance genre under a different alias, and it was only an accidental trip to a party, where he heard slower sounds, that directed his current musical path.

Nowadays Kapoor is one of Poland's most exciting downtempo music DJs. His sets start out nice and slow, and rise to intense levels, capturing the audience on a trip through carefully selected sounds full of strong groove. Over the last few years he has built a solid reputation in the downtempo music scene. His musical style stands out from the typical perception of downtempo music, his sets are full of dynamics and strong sounds - usually associated with faster types of electronic music. He skillfully combines downtempo productions with slowed techno tracks, which is why his set is always a unique experience.

Kapoor has released three full albums and his music was released on many famous labels: Akumandra, MONADA, Trndmsk.de, Sofa Beats, Art Vibes, Baikal Nomands, Ohxala Records, Otake Records, Wildfang Music, Souq Records, Casa Caos, Kottektiv Liebe or Cafe De Anatolia. His two vinyls were released by Akumandra and Art Vibes.
