

CHARLIE

C&C
BOOKINGS

Charlie, DJ, producer and LIVE performer is hailing from the Polish city of Krakow. There she caters to Krakow's visual art scene as the CO-director of the project space „Elementarz dla mieszkańców miast” and throws parties under the name Szum uniting cold mutant electro with sparkling italo disco. Behind the decks she has been smashing dancefloors for years, selecting an eclectic yet always driving mix drawing from the same influences. But as a skilled pianist, she was always drawn to creating her own music as well. She contributed several projects for movies and performances - and over the years fleshed out a killer live show. You can listen to her releases on labels such as Ferry Lane Records (debut EP), Wrong Era, Pinkman, Mechatronica, Worn Pop and Dom Trojga
